<b>Description of Activity:</b>	

This checklist is to help in the planning for an online group activity. This isn't an exhaustive list, so think carefully about any specific risks you may encounter. It is likely that you will need to add to this risk assessment checklist. This form can (and should) be altered to suit specific activity requirements. If you require support with zoom, this is available through our Zoom tutors.

Where you identify a particular risk you should note the actions you will take to reduce the risk. It's important to carry out a risk assessment before the activity takes place, and you can always add to this during the activity.
